

## 2008 Holualoa Tucson Triathlon

Submitted by: Tony Chan

Condition: COLD! Cloudy, some rain, some heat, back to cold, 350 triathletes on a closed course.

Highlights: Emily finally beats her Dad and loses her 10 year old record in the 15-17 age division. Dennis sets a new record for his age group and beats the 9 year old record by 5 minutes! The Flynchinaman needs to practice flying thru the swim/bike transitions so he doesn't have to work so hard on the bike/run.
