

## **Phoenix Triathlon Club Podium Placement Program**

The PTC Podium Placement Program is an effort to increase the awareness of the Phoenix Triathlon Club by rewarding PTC members who win a podium placement at an official PTC club race.

The program works like this:

- A “Podium Placement” is defined as a first, second or third place age group finish in an official PTC club race.
- Any PTC member in good standing and whose club dues are current, that places 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> in their age group at an official PTC club race, will receive a cash reimbursement from the club.
- 1<sup>st</sup> place age group finishers will receive \$25. 2<sup>nd</sup> place finishers will receive \$15 and 3<sup>rd</sup> place finishers will receive \$10.
- Podium Placement cash reimbursements will apply only to official PTC club races and PTC Juniors designate races. PTC club races and PTC Juniors designated races are posted each year on the PTC web site on the “Raced/Photos/Reviews” page. Juniors designated races are posted on the “Juniors/Tri-Kids Program” page of the PTC web site.
- To qualify for the reimbursement the club member must
  - Wear PTC clothing during the race and on the podium during the awards ceremony. The minimum requirement is a PTC race top (PTC jersey, PTC 1-piece tri-suit, PTC swim-top, PTC jacket or other PTC tri-suit top).
  - The PTC logo must be clearly visible while the member is on the podium for the awards ceremony. (In other words, don’t wear a non-PTC jacket over a PTC racing top.)
- Cash reimbursements will be awarded at the PTC general membership meeting following the race.
